Shorthorn and Polled Shorthorns

Reduction Sale

MONDAY, MAY 4, 1970

Sale starts at 11 a.m.

At the Farm Near

Oxbow

Saskatchewan

May 4 will be a day for the youngsters. Ricky and Kevin Neff, grandchildren of Mr. and Mrs. Harold Frey, hold one of the more than 50 calves that will sell at foot of their dams.

GENERAL SALE INFORMATION

TIME AND PLACE: Monday, May 4, 1970, at Freyburn Farms, Oxbow, Sask. The sale will begin promptly at 11 a.m.

DRIVING DIRECTIONS: From the U.S. border at Northgate, drive north on Highway 9 to the junction of Highway 18. Then go east on 18 about six miles to Oxbow. At the east edge of Oxbow a sign will mark the road north. Go north 8½ miles. Then one mile east and 4½ miles north from the farm.

Those coming from the north should take Highway 13 to Manor, Sask. At the east edge of town, a sign will mark the road to Oxbow. Follow that grid road 14 miles south. Then go three miles west and ½ mile north to the farm.

TRANSPORTATION: Freyburn Farm is about a 30-minute drive from the North Dakota border. Minot or Brandon are the servicing airports and are easily reached from anywhere. Given advance notice, we will be happy to meet your plane.

SALE HEADQUARTERS: The Bow Manor Motor Hotel in Oxbow is sale headquarters. Visitors can make room reservations by calling the motel direct, (306) 483-2991, the Freyburn Farms staff or the sale manager.

AUCTIONEER: Dick Kane, Wisner, Neb.

GUARANTEE: All cattle will be sold un-

der the standard guarantee endorsed by the American Shorthorn Ass'n. Cattle are at owner's risk as soon as sold, but every care will be given until shipment is made.

HEALTH: All cattle selling will comply with the health regulations of the Province of Saskatchewan. The herd is in a tuberculosis and brucellosis free area. The most stringent herd health standards are maintained and all cattle will be available for export about five days following the sale.

TERMS: The terms of the sale are cash. Checks should be handed to the clerks immediately following the auction. Please be sure to have the clerks record your transfer instructions and shipping information at the time of purchase.

EXCHANGE: The bidding will be conducted in Canadian Funds. The prevailing exchange rate will be allowed, which is generally about seven percent. In other words, the U.S. dollar in Canada is worth about \$1.07 due to the exchange differential.

LIABILITY: Freyburn Farms, its owners and employees accept no liability for accidents that may occur. Mishaps at cattle sale are very rare but all attending must do so at their own risk. The sale manager and his staff, the auctioneers, ringmen and clerks

were employed by the owners for specific promotional and clerical tasks and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or status of health papers. The sale of each animal constitutes a contract between the buyer and seller in each lot, but the sale manager cannot be responsible for the fulfillment of that contract. Where footnotes appear in the catalog, they were written by the owners or employees of Freyburn Farms or from information provided by them.

LUNCH: Will be available at 10 a.m. on sale day.

BUFFET DINNER: Be the guest of Freyburn Farms at a buffet supper at the farm from 4 to 6 p.m., Sunday, May 3, 1970.

MAIL BIDS: We hope it will be possible for you to be at Freyburn Farms on May 4. If not, mail or telephone bids may be directed to any of these responsible men:

C. D. Swaffar, executive secretary, American Shorthorn Ass'n., 8288 Hascall St., Omaha, Neb. Tel: (402) 393-7200.

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill. Tel: (312) 896-8511.

Dwayne Dietz, The Western Livestock Journal, Boise, Idaho.

Larry North, The Shorthorn World, 16 S. Locust St., Aurora, Ill. Tel: (312)

896-8511.

Ab Stoltz, Canadian Shorthorn Ass'n., Gummer Bldg., Guelph, Ont., Tel: (519) 822-6841.

Al Hamann, Secretary, Iowa Shorthorn Ass'n., 505 S. Adams St., Rock Rapids, Iowa. Tel: (712) 472-3676.

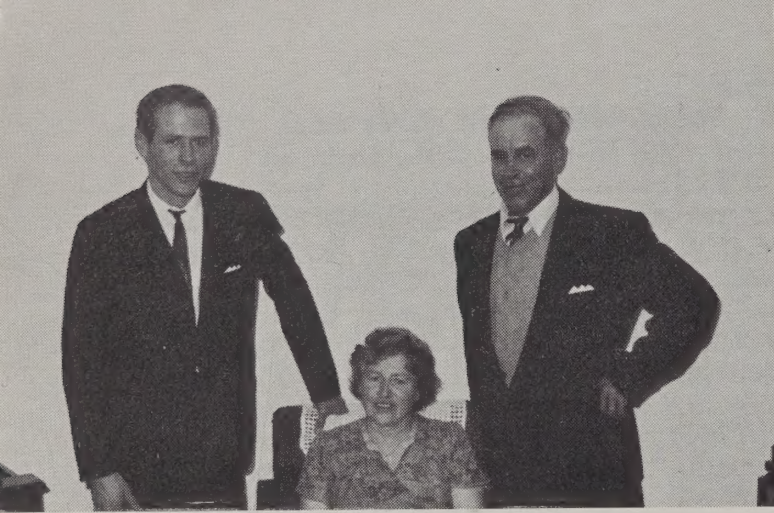

INSURANCE: Insurance will be available from the clerks.

TELEPHONE: Harold Frey, Freyburn Farms, Oxbow, Sask. Tel: (306) 483-2943.

DELIVERY: Cattle will be delivered free to Chicago, Kansas City, Denver, Fort Worth, Sioux Falls and to central points throughout Canada. This makes for greatly lower costs in getting animals home.

PEDIGREES: The new owners will receive pedigrees properly transferred in the Canadian Shorthorn Herd Book. Further transfer to herd books of other countries is at the expense of the new owners. In the case of American buyers, when they receive the Canadian pedigree, it should be mailed to the American Shorthorn Ass'n with a request that an American pedigree be issued. The charge is \$10 a head if the work is completed within six months of the date of sale.

HARRIS SIMONS, Sale Manager
16 S. Locust St. Aurora, Ill. 60506 U.S.A.
Tel: (312) 896-8511

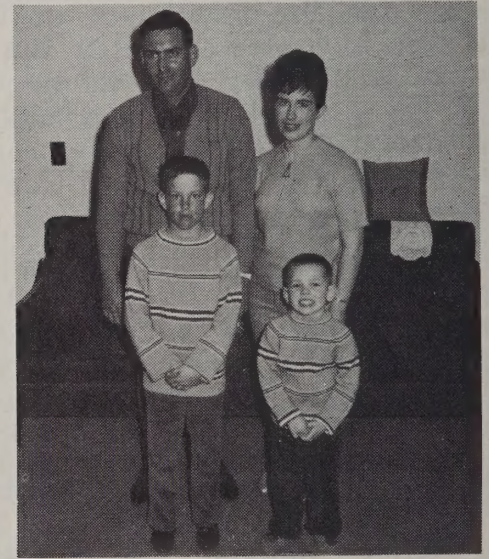

Welcoming you to Freyburn Farms are, from left, George, Marjorie and Harold Frey.

Dear Shorthorn Friends:

It is with great pleasure that we at Freyburn welcome you to our first production sale. We invite you to spend the day inspecting our offering and to attend a buffet supper at our home from 4 to 6 p.m., Sunday evening, May 3, 1970. We are really looking forward to meeting new and old friends in the cattle business from near and far.

Harold, Marjorie and George Frey

Welcome To Freyburn Farms

Mr. and Mrs. Larry Neff and their sons, Kevin (left) and Ricky, have been a great help to everyone at Freyburn and you can count on their assistance on sale weekend. Mrs. Neff is the former Arlie Frey.

Be Our Guest

Over the years, everyone from Freyburn has enjoyed the hospitality of Shorthorn friends throughout the United States, Canada and Great Britain. Now it's our turn to repay your many kindnesses and we look forward to it. Please arrive as early as you like on sale weekend. Plan to be our guest at buffet dinner from 4 to 6 p.m. at our home on the farm. Lunch will also be available throughout the sale on May 4.

EXCHANGE ADVANTAGE

The American dollar in Canada is worth about \$1.07 due to exchange differential. This premium alone can pay the cost of your entire trip.

FREE DELIVERY

At a convenient time following the sale, Freyburn Farms will deliver all purchases to Chicago, Kansas City, Denver, Fort Worth, Sioux Falls and to central points throughout Canada. Charges at the U.S. border are nominal, but they are to be paid by the buyer.

From the Sale Manager

Over the years, cattle from the wind swept plains of western Canada have been prized for their ruggedness and stamina . . . for their ability to go anywhere and do well.

At Freyburn, a careful selection process has built a herd of quality and bred-in stamina. Study carefully the reference sires listed on the following pages. Only the best have ever been good enough. The most recent are the \$7,500 Louada Beau Geste and the first polled bull to go into service at Freyburn, Boe Kae Jeffery x.

Harris Simons

The May 4 auction represents a herd reduction for these good cattle. Freyburn is far from dispersing, but the herd has outgrown its accommodation. Accordingly, you'll be able to buy real foundation stock, the kind usually only found in dispersions.

Of the females selling, 17 are rising two-year-olds that will be in calf. There are 56 young cows, almost all of which will sell with calves at foot. Where could you find more for your money.

The Freys are good cattlemen and loyal Shorthorn breeders. They've assembled one of the biggest and strongest offerings of the spring. You can buy them with confidence on May 4.

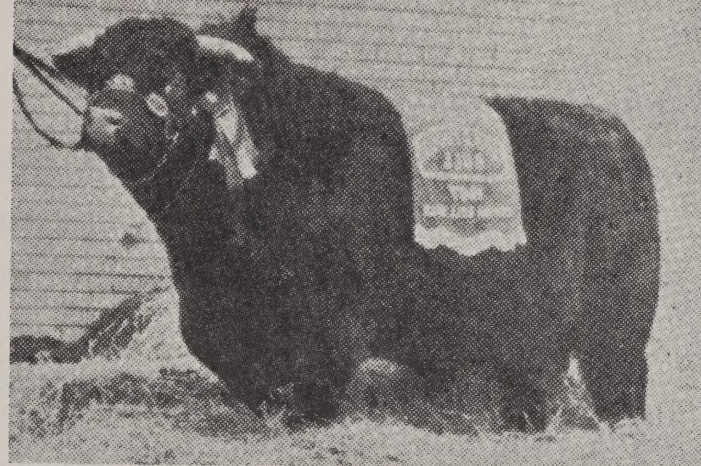

ABOUT THE FOOTNOTES

Freyburn Farms does not believe in descriptive footnotes. The cattle will speak for themselves. The only footnote information included in this catalog has to do with health and breeding information. Anyone who would like additional information on the ancestry or breeding record on any of the cattle selling should contact Freyburn and they will gladly give their candid opinion.

HARRIS SIMONS

The Shorthorn World

MEDA BENWHAT — He was grand champion Shorthorn bull of the 1967 Regina Spring Bull Sale. He had been used extensively at Freyburn to bring the valuable bloodlines of Killearn and Rannoch. Nine sons and many daughters sell. He is also sire of a great number of the calves selling at foot.

LOUADA ACHILLES — One of the earliest sons of Bapton Constructor to go into service in North America was the noted Louada Achilles. He was out of one of the best daughters of Calrossie Armada. The granddam, Calrossie Augusta Aileen, was one of the all-time great producers at Louada Manor Farms. You'll see a number of Achilles daughters and granddaughters at Freyburn on sale day.

BOA KAE JEFFERY x — He is the first polled bull to go into service at Freyburn. Jeffery was a member of the best pair of bulls at the 1969 Canadian International. He is a half brother to Boa Kae White Tornado x, in service for Four Dees in Illinois and Miles Mann in Iowa. Jeffery's dam weighed 1,410 pounds. His sire is by the noted Carig White Cloud x. The sire is also a full brother to the sire of the \$5,300 champion and top bull of the 1970 Canadian International. Freyburn is very proud to go into partnership with Bert Freitag and his son Ted, in the use of Jeffery. Plan your trip to include a visit to the Freitag herd just 17 miles from Freyburn where you will see one of the first Five-Star Canadian bulls, along with a lot of other good cattle.

LOUADA DEFENCE — One of the most successful sires at Freyburn was Louada Defence by Louada Rothes King. His dam, Louada Blood Royal 20th is from one of the greatest stock-bull producing families of the breed. The maternal granddam is Blood Royal 33rd, that has probably produced more leading stock bulls than any other single female of the entire breed. She also appears as the paternal granddam. Among others, the 33rd is the dam of the \$30,000 Louada Bonaparte and of Louada Royal Leader. You can buy many daughters of Louada Defence on May 4 at Freyburn.

LOUADA BEAU GESTE — He was purchased at the \$7,500 top of the 1967 Louada sale before going on to be International reserve junior champion and All-American. His dam, Denend Buttercup Chloe, sold in the Louada All-Female sale at \$5,000 to A. R. Cross, Calgary, Alberta. She was an imported daughter of Bapton Constructor. The full brother to Louada Beau Geste, Louada Provost, was the top-selling bull of the breed in 1966 when he sold to Mains Farm, Poulsbo, Wash. A large number of the calves selling at foot on May 4 will be by Louada Beau Geste.

LOUADA BEAU GESTE

LOUADA CONQUEST — Top of the former Louada sale, Louada Conquest is bred similarly to Louada Defence, also used at Freyburn. Both out of daughters of the famous Blood Royal 33rd. Note, too, that Conquest is backed with two of the greatest females the breed has ever known, Calrossie Broadhooks Anne and Kinnellar Buttercup 11th.
